

LIJSL SPRING 2010 DIVISION ALIGNMENTS

If you do not agree with your team's placement then **you must contact the coordinator of your age group ASAP**. After Wednesday Jan. 27 at 12 noon no changes will be made. The coordinator is the person listed at the top of the age group in red. Please remember the coordinator is a volunteer.

If you do not agree with the coordinator then **your CLUB PRESIDENT or CLUB REGISTRAR can call a games committee director or chairperson** only they can call, not you the coach.

Please **do not** call the office as the office does not do the division alignments the coordinators and games committee does them.
