29TH ANNUAL CONVENTION WORKSHOPS

LIJSL-NSCAA "D" COURSE

MODERATOR: LIJSL COACHING ACADEMY

The Long Island Junior "D" Course is a four hour course designed for those who will be coaching youth soccer players from 4 to 10 years of age.

We encourage those parents and coaches who are involved with soccer for the first time to take this course, in order to learn the proper methodology in teaching youth players who may be exposed to soccer for the first time. The class is open to all adults at no cost.

Advanced registration is strongly suggested. Seating for either course will be limited in number and will be on a first come first served basis. [For registration form click here.](#)

SATURDAY 9 - 1:00 PM MATTITUCK ROOM

SUNDAY 1:00 - 5:00 PM MATTITUCK ROOM

"MIND GAMES"

Using Mental Imagery to bring a player to higher levels.

MODERATOR: KEVIN McCRUDDEN

Mental imagery is used by some of the greatest athletes in the world and they swear by it. We spend hours on the fields preparing our bodies, how much time do we spend preparing our minds for success?

Kevin L. McCrudden, author of "U ~ Who Are U?" speaks about mental preparation for success.. Kevin introduces one of the most significant additions to Maslow's Hierarchy of Needs in 60 years. He is also Publisher of Soccer Long Island Magazine.

He is an alumni of the LIJSL, stand out player at St. John the Baptist HS and SUNY Brockport. He has also been a coach and parent to a player in the LIJSL.

Kevin is the ONLY "motivational and leadership speaker" in America to have a day of recognition passed by The United States Congress. January 2nd of every year is National Motivation & Inspiration Day.

Kevin's energetic and lively presentations keep everyone engaged and entertained. His unique experiences as a soccer player, coach and parent, as well as author and national speaker make this a must see session for coaches, parents and players.
